

## 132 — MOROCCAN BURNOOSE

### YARDAGE REQUIREMENTS AND SIZING

The yardage for the Burnoose is determined solely by the desired length; the width of the fabric determines the maximum possible Finished Back Length. Thus, using 60"/150cm wide fabric, a *mid-calf length* Burnoose can be made for a person 6'2" or shorter, or an *ankle-length* Burnoose for someone 5'8" or shorter. (See Finished Back Lengths below.)

Yardage can be adjusted for height, subtracting 2"/5cm of yardage for every 1"/2.5cm shorter in height than those given.

5'2"	Mid-Calf Length	Ankle-Length	
60"/150cm fabric*	2 <sup>7</sup> / <sub>8</sub> 2.63	3 <sup>3</sup> / <sub>8</sub> 3.09	yds. m
Finished back length	44 112	50 127	in. cm
Finished width at lower edge	150 3.81	174 4.43	in. m

5'8"			
60"/150cm fabric*	3 <sup>3</sup> / <sub>8</sub> 3.09	3 <sup>7</sup> / <sub>8</sub> 3.55	yds. m
Finished back length	50 127	56 142	in. cm
Finished width at lower edge	174 4.43	198 5.00	in. m

6'2"		
60"/150cm fabric*	3 <sup>7</sup> / <sub>8</sub> 3.55	yds. m
Finished back length	56 142	in. cm
Finished width at lower edge	198 5.00	in. m

\*For every 1"/2.5cm you wish to shorten, subtract 2"/5cm from yardages given. No provisions are made to lengthen garment.
